**SERMON NOTES**

---

Two foundational theological truths:

1. Salvation is only found through Jesus' sacrificial death and atonement for sinners (doctrine of salvation).
2. Those who are called will come, for they know His voice and the Good Shepherd knows them. Both Gentiles and Jews are part of the one flock, one family of God (doctrine of divine election).

Outline:

1) The Opening Illustration (vv. 1-6)

2) One Door, One Salvation (vv. 7-10)

3) One Flock, One Shepherd (vv. 11-18)

4) The Concluding Division (vv. 19-21)
